The exercise of the Unexercised Rights purchased during the Rights Auction and, consequently, the subscription of the New Shares shall be made, under penalty of forfeiture, through authorized intermediaries participating in the centralized management system of Monte Titoli S.p.A.: (i) by and no later than December 17, 2024, with the same value date, in the event that the Rights Auction closes early following the full sale of the Unexercised Rights in the trading session of December 16, 2024, or (ii) by and no later than December 18, 2024, with the same value date,

in the event that the Unexercised Rights are not fully sold in the first trading session and the Rights Auction closes on December 17, 2024.

The New Shares subscribed to by the end of the Rights Auction will be credited to the accounts of intermediaries participating in the centralized management system managed by Monte Titoli S.p.A. at the end of the accounting day of the last day of exercise of the Unexercised Rights with availability on the same date.

It should also be noted that (i) Tiber has undertaken to subscribe, upon completion of the Rights Auction, the New Shares resulting from the non-exercise of the preemptive rights pertaining to certain previous shareholders of Gardant, up to the maximum total amount of Euro 2,949,685.20 and provided that such subscription does not require Tiber to launch a mandatory tender offer on doValue's share capital; and (ii) as previously communicated, doValue has signed the underwriting agreement (the "**Underwriting Agreement**") relating to the rights issue with Mediobanca – Banca di Credito Finanziario S.p.A., UniCredit Bank GmbH, Milan Branch, Banca Akros S.p.A. – Gruppo Banco BPM and Intesa Sanpaolo S.p.A., in their capacity as Joint Global Coordinators, who undertook, severally among themselves and without any solidarity obligation, according to the terms and conditions provided therein, to subscribe, in proportion to their respective commitments under the Underwriting Agreement, any New Shares remaining unsubscribed at the end of the Rights Auction, up to a maximum total amount of Euro 67,367,792.80.

Solely for the purposes of the product governance requirements contained within: (a) EU Directive 2014/65/EU on markets in financial instruments, as amended ("**MiFID II**"); (b) Articles 9 and 10 of Commission Delegated Directive (EU) 2017/593 supplementing MiFID II; (c) local implementing measures; and (d) in respect of firms which are subject to the requirements of the U.K. Financial Conduct Authority (the "**FCA**") Handbook and Product Intervention and Product Governance Sourcebook, the relevant provisions of MiFID II as they form part of U.K. domestic law by virtue of the European Union (Withdrawal) Act 2018 ("**EUWA**") ("**U.K. MiFID II**"), (letters (a)-(d) together, the "**MiFID II Product Governance Requirements**"), and disclaiming all and any liability, whether arising in tort, contract, or otherwise, which any "manufacturer" (for the purposes of the MiFID II Product Governance Requirements) may otherwise have with respect thereto, the pre-emptive subscription rights (the "**Rights**") and the new ordinary shares (the "**New Shares**") have been subject to a product approval process, which has determined that the New Shares are: (i) compatible with an end target market of retail investors and investors who meet the criteria of professional clients and eligible counterparties, each as defined in MiFID II. In respect of firms which are subject to U.K. MiFID II, references in this section to MiFID II shall mean the relevant provisions thereof as they form part of U.K. MiFID II; and (ii) eligible for distribution through all distribution channels as are permitted under MiFID II (the "**Target Market Assessment**"). Any person subsequently offering, selling, or recommending the Rights and the New Shares (a "distributor") should take into consideration the manufacturer's Target Market Assessments; however, a distributor subject to the MiFID II Product Governance Requirements is responsible for undertaking its own Target Market Assessment in respect of the Rights and the New Shares (by either adopting or refining the manufacturer's Target Market Assessments) and determining appropriate distribution channels.

Notwithstanding the Target Market Assessment, distributors should note that: the price of the Rights and the New Shares (as defined in the offering materials) may decline and investors could lose all or part of their investment; the Rights and the New Shares offer no guaranteed income and no capital protection; and an investment in the Rights and the New Shares is compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom.

The Target Market Assessment is without prejudice to the requirements of any contractual, legal or regulatory selling restrictions in relation to the Offer. Furthermore, it is noted that, notwithstanding the Target Market Assessment, the Sole Global Coordinator will only procure investors who meet the criteria of professional clients and eligible counterparties. For the avoidance of doubt, the Target Market Assessment does not constitute: (a) an assessment of suitability or appropriateness for the purposes of MiFID II; or (b) a recommendation to any investor or group of

investors to invest, or purchase, or take any other action with respect to the Rights and the New Shares. Each distributor is responsible for undertaking its own target market assessment in respect of the Rights and the New Shares and determining appropriate distribution channels.
