A = the unpaid Principal Deficiency at the immediately preceding Payment Date following the payments and the provisions made on such date under the applicabile Priority of Payments (Euro 48,220,374.34) and

In particular, those receivables did not comply with the "in blooco criteria" and, accordingly, pursuant to the Italian securitisation law, such receivables are to be considered as never having been transferred to the SPV. (Please refer to the related Moody's and S&P Amountcement, March 2008 for more details).
