11. Ownership of the minimum number of shares required to submit the lists shall be determined by taking into account the shares registered in each shareholder's name, or in the name of several Shareholders acting jointly, pursuant to paragraph 10, at the time the lists are filed at the Company's registered office. Proof of ownership of the number of shares required for submitting the lists shall be certified under the applicable provisions of law; said certification may also be submitted to the Company after the list has been filed, provided it is done within the deadline set forth for the Company's publication of the lists.

 - (b) a statement by the Shareholders other than those holding, whether individually or jointly, a controlling interest or a relative majority interest, in which they declare the absence of any direct or indirect affiliation to such Shareholders under the law and regulations in force from time to time;
 - (c) exhaustive information on the personal and professional backgrounds of the candidates

and indication, where appropriate, of the suitability of their candidacy as Independent Directors, and a statement by said candidates declaring that they meet the requirements set forth by applicable law and regulations and by these Articles, including the requirements of integrity and, where applicable, independence, and their acceptance of the candidacy and of the office, if elected;

 16. Each person with the right to vote may vote for one list only.
 17. The election of the Board of Directors shall take place as follows:

 - (i) all the directors to be elected except 3 directors to be drawn from one or more of the Minority Lists (as defined below) in accordance with the provisions of point (ii) below shall be taken from the list that came first in terms of number of votes (the “Majority List”), in the sequential order in which they are indicated on the list;

 - b. 1 (one) director, if the Minority List has obtained a number of votes of less than 15% of the Company’s share capital with voting rights at the Ordinary Shareholders’ Meeting, or is composed of less than 3 (three) candidates but more than 5% of the Company’s share capital with voting rights at the Ordinary Shareholders’ Meeting;

it being understood that, should only one Minority List be submitted, 2 (two) or 1 (one) director shall be taken from such list, depending on whether such Minority List has obtained, respectively, a number of votes greater than or equal to 15% of the Company’s share capital with voting rights at the Ordinary Shareholders’ Meeting or a number of votes less than 15% of the Company’s share capital with voting rights at the Ordinary Shareholders’ Meeting but at least equal to half the percentage of voting rights required by these Articles of Association for the submission of lists while the remaining directors

to be elected shall be drawn from the Majority List, it being understood, however, that no more than 1 (one) director may be drawn from the Minority List that is composed of less than 3 (three) candidates;

- (iii) in the event that two or more lists have obtained the same number of validly cast votes at the Shareholders' Meeting, the one submitted by the shareholders with the largest shareholding shall prevail;
 - (iv) in the event that the Majority List does not contain a sufficient number of candidates to ensure that the number of directors to be elected is reached, all the candidates listed therein shall be drawn from that list, in the sequential order in which they are listed; after having drawn the other directors from the Minority List to points (ii) above, the remaining directors, for the positions not covered by the Majority List, shall be drawn from the Minority List that came first in terms of number of votes (the "First Minority List") until such list has sufficient capacity. In the event of insufficient capacity, the remaining directors are drawn, in the same manner, , each of the other Minority Lists (which have in any case obtained a number of votes higher than 5% of the Company's share capital with voting rights at the Ordinary Shareholders' Meeting), depending on the number of votes and the capacity of such lists. Lastly, if the total number of candidates included in the lists submitted, both majority and minority, is less than the number of Directors to be elected, the remaining Directors are elected by resolution passed by the Shareholders' Meeting by majority with the majorities required by law, ensuring compliance with the principles of independence and gender balance prescribed by the laws and regulations in force at the time. In the event of a tie between several candidates, a ballot shall be held between them by means of a further vote by the Shareholders' Meeting;
 - (v) selection of candidates in the lists shall be carried out in sequential order except as provided for in paragraphs (D) and (E) which follow;
- (C) if no list has been submitted the Shareholders' Meeting shall pass resolutions in accordance with the majorities required by law, without complying with the procedure set forth above, ensuring compliance with the principles of independence and gender balance prescribed by the laws and regulations in force at the time;
- (D) in the event that the required minimum number of Independent Directors and/or Directors belonging to the less represented gender is not elected, the Directors of the Minority List that obtained the highest number of votes, as well as, in the absence of suitable candidates of the Other Minority Lists (taking into consideration first of all the one that obtained the highest number of votes) marked with the lowest progressive number and lacking the requirements in question shall be replaced by the next candidates having the required requisite(s) belonging, respectively, to the Minority List that obtained the highest number of votes as well as, in the absence of suitable replacements, to the Other Minority Lists;
- (E) if, even if the replacement criteria set forth in paragraph (D) above are applied, no suitable substitutes are found, the candidate belonging to the Minority List with the lowest number of votes, if any, shall be replaced by the first non-elected candidate with the missing requisite belonging to the Majority List; if also in this case no suitable substitutes are

found, the Shareholders' Meeting integrate the Board of Directors with the majorities required by law, ensuring that the prescribed requirements are met;

- (F) The list voting procedure described in this paragraph applies only in the case of the appointment of the entire Board of Directors. If the entire Board of Directors is not to be reappointed or if the Board of Directors is to be integrated pursuant to paragraph 2, or if it is not possible for any reason to appoint the Board of Directors in the manner set forth in this paragraph, the Shareholders' Meeting shall resolve in accordance with the majorities required by law, ensuring compliance with the principles of independence and gender balance prescribed by the laws and regulations in force at the time.
18. Should one or more directors taken from a Minority List or a Majority List cease to hold office, the director or directors ceasing to hold office shall be replaced by co-optation by the Board of Directors with the first candidate or candidates from the same list who were not elected when the Board of Directors was appointed - if any - and who, if required to comply with the independence and/or gender requirements set forth by the laws and regulations in force at the time, have the same independence and/or gender requirements as the directors ceasing to hold office. If the Board of Directors cannot proceed with co-optation under the above terms, the Board of Directors may replace the outgoing directors pursuant to Article 2386 of the Italian Civil Code, with a resolution passed by majority vote of those voting.
